

# A Report Back from Tohoku

Perspectives from Atsuko Toko Fish,  
Co-founder of Japanese Disaster Relief Fund - Boston

Tuesday May 17<sup>th</sup>, 2011

6:00pm – 7:30pm

The Boston Foundation  
75 Arlington St. 10<sup>th</sup> Floor  
Boston, MA 01211

One month after the 9.0 magnitude earthquake and tsunami, Atsuko Fish and her daughter, Emily Fish, traveled to Japan to understand the extent of the devastation and assess needs. Join Atsuko and Emily on a discussion about the current situation in Northern Japan. In addition, the Advisory Committee members of the Japanese Disaster Relief Fund – Boston will provide an update of the fund's activities to date and one of the grantee organizations, Boston Japan Medical Relief Initiative, will share their work in Tohoku.

Food and refreshments will be served.

Space is limited. For guaranteed attendance, please RSVP at <http://jdrfb.eventbrite.com>

*Japanese Disaster Relief Fund – Boston is a unique collaboration among three organizations: The Boston Foundation, The Japan Society of Boston and the Fish Family Foundation. Our expertise in grant making and our networks in Japan enable us to make direct impact grants to organizations and communities with the greatest need.*
